

# 5111 ENFIELD AVE, ENCINO

## OPEN HOUSE

Tuesday April 18th from 11am-2PM

**\$1,289,000 | 4 bed | 2 bath | 1,395 SF**

This beautiful home resides South of Ventura Blvd. This upgraded and well-maintained home has it all. Features include: Hardwood floors, open floor plan, private front and rear grassy yards, covered sitting area, French doors, plantation shutters, and dual paned windows, built-in cabinetry, crown molding and wainscoting. Installed new dishwasher, refrigerator, and microwave oven, and new bathroom faucets. Master bedroom has vaulted ceilings, ample closet space (walk-in closet and sliding door closet) and French doors leading to the backyard. Master also has dual sink vanity and an oversized walk-in shower. Both bathrooms have granite counters and tile flooring. Backyard is perfect for entertaining with mature landscaping for ultimate privacy and has a detached garage which can be used as an office, home gym, or workout space. Home has Nest thermostats, central air and brand new central heater installed in the attic, recessed lighting throughout, brand new tank less water heater, Ring Doorbells, and central station alarm system.

A MUST SEE! Won't last long!
